

ACEM DIRECTORY 2012

ADVERTISING CONTRACT

The Association of Consulting Engineers Malaysia Directory 2012 is a valuable promotional and advertising tool. The useful information on the engineering services available in the region reaches key decision-makers of national and international administrative and corporate bodies all over the world.

The Directory, published annually, is a comprehensive publication of all relevant information on the Association, consulting engineers who are its members and engineering consultancy firms they practice with. It is a unique and excellent reference manual to government, public corporations, leaders of the industry, developers, builders and project managers. It is also an essential medium through which your products and services will receive the attention of decision-makers in the trade.

The Directory is circulated extensively. These include Individual & Corporate Members of ACEM, Ministries & Government Departments, Associations/Institutions pertinent to the building & construction industry, Embassies, Libraries, MATRADE offices world wide, overseas Trade Commissions and Member Associations of International Federation of Consulting Engineers (FIDIC) throughout the world.
