

## About the Seminar

This seminar was conceived by the professional bodies jointly with the Jabatan Bomba dan Penyelamat Malaysia, Kuala Lumpur (Bomba KL), to address the perennial and alarming rate of submitted plans being rejected by Bomba KL, for reasons which include incompleteness, incompetency or misrepresentations by either party. Despite regular dialogues between Bomba KL and the professional bodies, the rate of first time approval of plans remains at below 50%. Such a scenario is certainly disappointing for an industry aspiring to fully implement self-regulation in the very near future.

Topics presented are targeted at all those involved in fire safety designs including, approving agencies, architects, engineering consultants, developers, contractors and vendors. This seminar will provide the guidelines on latest design practices and submission requirements that will help reduce incidences of rejection and non-compliance with Bomba requirements.

## Registration Fee\*

ACEM member firms	RM 350.00 per person
IEM & PAM members / Bomba officers	RM 350.00 per person
Others	RM 500.00 per person

\*GST is zero-rated w.e.f. 1 June 2018

Registration fee must be submitted together with the registration form. Payment by crossed cheque is to be issued to **'The Association of Consulting Engineers Malaysia'**.

Fee will not be refunded for any cancellation. However, substitution of participants can be arranged by informing the ACEM secretariat one week before the seminar commences.

Completed registration forms should be returned to the ACEM secretariat by 29 June 2018 to the following address:

The Association of Consulting Engineers Malaysia  
Suite 20-9, Level 20, Menara 1MK  
No. 1, Jalan Kiara, Mont' Kiara  
50480 Kuala Lumpur

For enquiries, please contact the ACEM secretariat at tel. nos. 012-5290031, 012-5190031, 03-62110031 or e-mail sec@acem.com.my.
