## EXTRACTS FROM THE ARTICLES OF ASSOCIATION

#### DEFINITION OF A CONSULTING ENGINEER

A person possessing the necessary qualifications and registered under the Engineers Act to practise in one or more of the various branches of Engineering who devotes himself to advising the Public on Engineering Matters or to designing and supervising the construction of engineering works.

## QUALIFICATIONS OF MEMBERS

- 8. (1) No person shall be qualified for Membership of the Association unless he -
  - (a) is in practice in Malaysia as a Consulting Engineer either individually or as a partner or consultant of a firm of Consulting Engineers in Malaysia or as a Director or Shareholder of a company in Malaysia whose Memorandum of Association restricts its activities to those permitted to Members of the Association.
    - The term consultant used above shall mean a consultant normally remunerated by fees and retainers and shall exclude salaried full-time employees.
  - (2) No person shall be qualified for Membership of the Association if he shall be a director, managing director, or employee of any company carrying on any contracting or manufacturing business dealing with the class of work to which his practice relates, nor a partner in any firm carrying on such business, or an agent for any company, firm, or person carrying on such business unless such business are approved by BEM or other relevant regulatory bodies.

Provided that Council shall have absolute discretion to grant and review from time to time exemption to any person from any or all of the above provisions if Council deems that such exemption is in the interest of the Nation or the Association.

(3) No person shall be elected to Membership of the Association unless he shall be of such standing and experience as in the opinion of the Council qualifies him to be a Member of the Association.
