

P. GANENDRA SCHOLARSHIP

managed by the

Association of Consulting Engineers Malaysia

The Association of Consulting Engineers Malaysia (ACEM) invites qualified applicants for education sponsorship to pursue an undergraduate course in engineering at a local university recognized by the Board of Engineers, Malaysia.

The P. Ganendra Scholarship will be offered to well rounded Malaysian candidates who have attained excellent academic achievements, who demonstrate outstanding leadership qualities and who have devoted time to make an impact to the community through extra-curricular activities.

1. Introduction

The P. Ganendra Scholarship, established in 2009 is set up in memory of the late Ir. P. Ganendra, one of the leading luminaries in engineering consultancy in Malaysia, who had set the pace for the growth of the industry in the 1970s through his vision and passion for engineering. The late Ir. P. Ganendra had set up Minconsult Sdn Bhd, one of the largest multidisciplinary engineering consultancy in Malaysia and through his untiring effort built up one of the largest collection of technical journals, books and publications now housed in the P. Ganendra Library.

The P. Ganendra Scholarship is set up to assist deserving individuals to pursue an undergraduate course in engineering at a local university recognized by the Board of Engineers, Malaysia.

The P. Ganendra Scholarship will be managed by the Association of Consulting Engineers Malaysia (ACEM) for and on behalf of the Ganendra family.
