### About NCIA

The Northern Corridor Implementation Authority (“NCIA”) is a regional development authority responsible for establishing directions, devising policies and strategies related to socio economic development of Northern Corridor Economic Region (NCER)’s programmes.

Incorporated in June 2008 under the Northern Corridor Implementation Authority Act 2008 (Act 687), NCIA’s primary mandate is to promote and accelerate development of NCER into a world-class economic region and a choice destination for investment, work and living. NCIA will continue to drive the growth of NCER towards becoming a world class economic region by 2025 by catalyzing and implementing high value-added development programmes in three key sectors namely Manufacturing, Agriculture & Bio-Industries and Services. The subsectors for Services are Tourism, Logistics and Connectivity; and Global Business Services
