# MESSAGE FROM THE PRESIDENT

Dear ACEM Members and Readers,

I hope you and your family are safe and well.

Welcome to our first edition of our Suara Perunding (SP) 2023. As usual, we thank our hard-working Publication Committee/ Secretariat for their efforts in publishing the SP quarterly to keep members informed of our activities and provide information on matters of interest.

Firstly, we would like to wish everyone a happy, health and prosperous New Year 2023. We have also celebrated the Chinese New Year in January. Hope the zodiac year of the Rabbit brings us longevity, peace and prosperity in the lunar new year.

Our webinars on site supervision courses, for the Inspector of Works, Engineering Technologist and Graduate Engineers, are ongoing with the Mechanical module commencing in February 2023 and to be completed by April.

This quarterly SP edition shall also cover the webinars that we have carried out during the first three months, such as Professional Ethics in the light of S17A of MACC Act and our regular luncheon webinars. We conducted our 1st HRDCorp Claimable course “Property Access Planning and Safety Audit for Infrastructure Development” on 13th and 14th March 2023.

We also organised our Inaugural CCC Invitational Golf Game on 11th February 2023 at Kelab Rahman Putra Malaysia for the Council of Construction Consultants. Golfers from each of the three Associations (ACEM, ACAM and ACQSM) and invited guests from the Boards (BEM, BAM, BQSM) teed off at 8.30 a.m., followed by prize giving and lunch at the clubhouse.

We hope that members are keeping themselves updated through our website at [www.acem.com.my](http://www.acem.com.my), as our website continues to be an important reference to keep abreast with the current information from various Government organisations and discussion outcomes with Government agencies.

Let us ensure that ACEM is always in the forefront of maintaining the interest of our members in the ***Engineering Consultancy business and industry.***

We would also like to wish a “Selamat Berpuasa dan Selamat Hari Raya Puasa” to our Muslim friends and Happy Holidays for the rest of us in the coming months.

Thank you and happy reading,

Ir. K. Sundraraj  
ACEM President.

## ACEM/ACAM/ACQSM CCC Invitation Golf Game

CCC Invitational Golf Game was held on Saturday, 11 February 2023 at Kelab Rahman Putra Malaysia (KRPM), a prestigious golf course, in Bukit Rahman Putra, Sungai Buloh, Selangor Darul Ehsan. For this inaugural golf game 20 participants took part in the event played at the 18-hole scenic Lake course. The game was a social event that brought together members of the three organizations in a

friendly and relaxed atmosphere. Representatives from BEM, BAM, BQSM, JKR and LLM were invited to grace the event. The golf game was an excellent opportunity for knowing each other, professional networking and forging closer ties. The participant teed off at 8.15 am and ended at 1pm. The weather was perfect for golf. After a delicious lunch, the ACEM president presented prizes to the top 10 golfers.

# TALK ON PROFESSIONAL ETHICS IN THE LIGHT OF S17A OF MACC (AMENDMENT) ACT

The talk was held on 2 March 2023 via Online Zoom Webinar. A total number of 41 participants joined the Talk. The objective of this talk was to provide an overview of the S17A of the MACC Act and ISO37001 ABMS, with a focus on the relationship between corruption and per capita income. It aimed to highlight the importance of integrity, productivity, and deliverables and the interconnectedness of these factors. Additionally, this talk aimed to provide case studies to illustrate the impact of corruption in organizations, specifically through examples of leaking tender information

and confidential information on potential projects, as documented by the ICAC Hong Kong. The Speaker was Mr. Mark Chay, Chief Executive Officer of Coalition for Business Integrity Bhd. (CBI). In addition, the speaker emphasized the importance of having anti-corruption frameworks in place, such as S17A of the MACC Act and ISO37001 ABMS, to prevent and combat corruption and bribery in organizations. Besides, corruption causes negative impacts on per capita income and economic growth, highlighting the need to prioritize anti-corruption efforts. The speaker also talked

about the interconnection between integrity, productivity, and deliverables, emphasizing the importance of maintaining a strong culture of integrity in organizations to achieve positive outcomes. The speaker also talked about the damaging effects of corruption on organizations, as demonstrated in the case studies of leaking tender information and confidential information on potential projects from the ICAC Hong Kong. These cases serve as a reminder of the importance of implementing anti-corruption measures to prevent harm to organizations and individuals.

# COURSE ON PROPERTY ACCESS PLANNING AND SAFETY AUDIT FOR INFRASTRUCTURE DEVELOPMENT

The course was held on 13 & 14 March 2023 at Armada Hotel Petaling Jaya. This time a small group of 18 participants joined the course. Ir. Liew Shaw Shong opened the remarks on the first day of the course. The speaker was Ir. Lee Choy Hin, who has more than 42 years of experience, commencing his professional career with JKR

Malaysia in 1981. He spent most of his time in JKR Malaysia involving in research, design, construction management and supervision, formulation of departmental policy, technical standards, road safety and design guidelines. This course was divided into two modules. The first module was Traffic Study and Access Planning for Property

Development, while the second module was an Implementation of Road Infrastructure and Safety Audit. Ir. Lee shared much of his experience and thoughts in this field during his lecture. Every participant was allowed to express their thoughts and share their experiences related to the topics and modules given.

## Introduction to ACEM Competent IOW

The image shows a slide for an ACEM Webinar Series. The slide has a green header with the ACEM logo and the text "ACEM Webinar Series" and "ACEM Competent IOW". The main title is "INTRODUCTION TO ACEM COMPETENT IOW". Below the title is a portrait of Ir. K. Sundraraj, the President of ACEM. The date and time are "31<sup>st</sup> March 2023, 10.00 a.m. to 11.30 a.m.", and the location is "Online Training, Kuala Lumpur". The ACEM logo is also present at the bottom right of the slide. A small inset image shows Ir. K. Sundraraj speaking in a video call. At the bottom of the slide, there is a disclaimer: "This slide is property of ACEM and must not be used or copied in any form or by any means without permission." and the number "1".

*Ir. K. Sundraraj presenting his lecture.*

The Introduction to ACEM Competent IOW was held on 31st March 2023 via Online Zoom Webinar. A total number of 153 participants attended the webinar who were mainly Inspector of Work (IOW) from various companies. The webinar was presented by Ir. K. Sundraraj, the ACEM President. IOWs are essential members of the supervision team who operate as the eyes and ears of the designer on site.

IOW should be trained and well versed with site supervision works concerning temporary works, site safety and existing codes/regulations so that he/she can perform his/her task on-site professionally. As mentioned by the speaker, ACEM conducts a series of Site Supervision Courses designed to provide the IOW with the necessary practical knowledge and information related to good engineering practice in site supervision.

ACEM intends to train and assess the experience of IOW to award the title of ACEM Competent IOW. The objective of awarding the title ACIOW is to be recognized as an experienced and competent IOW to gain employment opportunities with ACEM panel firms/members for construction projects. This webinar outlined the pathway to be certified as ACEM Competent IOW. The registration requirements, training & experience and assessment process will be detailed out soon.

A courtesy call was made to Jabatan Perkhidmatan Pembetulan Sabah (JPPS) on 16th December 2022, led by Sabah Branch Chairman, Ir. Razalie Sindong. The delegation of 7 committee members was greeted by the Director of JPPS, Madam Jennieve Peter. Three pertinent issues faced by members and panel firms in Sabah were brought up during the visit, namely:

1. Engineering Consultancy Practice (ECP) Supervision of Construction Works.
2. Scale of Fees and Professional Fees Calculations.
3. Status of new STP and sewer line design guideline (the Sabah Version).

A memorandum containing the three issues was handed over to the Director during the courtesy call.

**ACEM SABAH MEETS DIRECTOR**  
 Seven executive committee members of Association of Consulting Engineers Malaysia (ACEM) made a courtesy call on Jennieve Peter, the director of Sabah Sewerage Services Department. Topics raised and discussed included the ECP supervision of construction works, scale of fees and professional fees calculation, and status of new STP and sewer line design guideline (Sabah version). Ir. Razalie Sindong, the Sabah branch chairman of ACEM, thanked Jennieve for allowing the engineering consulting industry to express their views thus narrowing the gap of understanding and perspectives between the private and public sectors. ACEM looks for more opportunities in such in exchanging views and ideas between sectors for the betterment of service and delivery.
