Dear Ir. Anuar Mohd Aris,

RE: INDUSTRY SUPPORT REQUEST FOR THE GREEN STEEL DEMAND STUDY

As your association represents key industry stakeholders, we would be grateful for your support in disseminating the survey questionnaire to your members. Their participation is essential in ensuring that the study reflects the views and needs of a broad range of industries that procure and utilise steel products.

The survey requires approximately 10-15 minutes to complete and all responses will be treated with strict confidentiality. Information collected will be analysed and reported only in aggregated form and no individual respondent or organisation will be identified without prior consent.

We would appreciate it if you could circulate the survey to your members using the details below:
