AIFTIS & CMIIIE 2026

 BRIDGING ASEAN THROUGH LOCALISATION, INNOVATION,
 CO-CREATING AN INDUSTRIAL FUTURE FOR PRODUCTIVITY

3 & 4 November 2026

Menara MITI, Kuala Lumpur

FREE for society members

Supported by MITI, Led by Industry and Connected to CMIIIE Technology Providers

AIFTIS is Malaysia's Industry driven platform, and a movement for industry collaboration led by professional services. Over two days, regulators, societies, industry bodies, educators and technology partners come together to build industry verified trust, open localisation pathways, and strengthen capacity building and talent development.

WHY 2026 MATTERS

59.5%

of Malaysia's GDP came from services in 2025.

RM5.3bn

services trade surplus in 2025, the first since 2011. AIFTIS helps turn that surplus into lasting productivity.

WHO SHOULD ATTEND

Adopting technology? Meet verified technology and solution providers, benchmark your readiness and find the right local partners.

Commercialising technology? Take the localisation pathway: industry verification, local partnership and co-creation with Malaysian industry.

THE FIVE PILLARS

- ↳ Malaysian Industry Trust Mark
- ↳ Professional Mobility
- ↳ Capacity Building & QTIVET
- ↳ Technology Adoption
- ↳ Trade Connectivity & Market Access

Every session connects to at least one pillar.

DAY 1 · TUESDAY, 3 NOVEMBER
