

Transport Expo Asia (TXA 2026) Opening Ceremony Programme (Proposed)

Date : 20th October 2026 (Tuesday)
Time : 09.00 am – 11.30 am
Location : Ballroom 1, Level 3, MITEC
Dress Code : Formal/Office Attire

Programme	
09.00 am	: Arrival and Registration of Delegates and Guests
09.20 am	: Arrival of YBhg. Dato' Seri Jana Santhiran Muniayan, <i>Secretary General Minister of Transport, Malaysia</i>
09.25 am	: Arrival of YB Datuk Haji Hasbi bin Habibollah, Deputy Minister of Transport Malaysia
09.30 am	: Arrival of YB Loke Siew Fook Minister of Transport, Malaysia
	: Photography session
	: National Anthem (<i>Negaraku</i>) & Doa Recitation
	: TXA 2026 Montage
	: Welcoming Speech by YBhg. Dato' Seri Jana Santhiran Muniayan <i>Secretary General Minister of Transport, Malaysia</i>
	: Officiating Speech by YB Loke Siew Fook <i>Minister of Transport, Malaysia</i>
	: Official Launching & Gimmick Ceremony of TXA 2026
10.45 am	: End of Opening Ceremony
	: Official Exhibition & Booth Visit by <i>Minister of Transport, Malaysia</i>
11.30 am	: Press Conference @ North entrance/ foyer hall 1

TXA Transport Expo Asia 2026

FUTURE ON THE MOVE ACCELERATING NEXT-GEN TRANSPORT

OFFICIAL PROGRAMME OF EVENTS

Transport Expo Asia 2026 | 20 to 22 October 2026 | MITEC, Kuala Lumpur

Pre-event programmes: Monday, 19 October 2026

CONFERENCE PROGRAMMES

PROGRAMME	DATE	VENUE
IATA Workshop	Monday, 19 October 2026 (Pre-Event)	@My09, @My10 & @My11, Level 1A
Road Safety Congress 2026	Monday, 19 October and Tuesday, 20 October 2026	Novelle 1 & 2 and The Gallery (Day 0); Novelle 1 (Day 1); @My10 & @My11 (CARS)
The Future of Aviation	Tuesday, 20 October and Wednesday, 21 October 2026	Main Stage and Breakout Room 1
Transport Strategy Forum 2026	Tuesday, 20 October 2026	Breakout Room 1
Maritime Forum 2.0	Tuesday, 20 October and Wednesday, 21 October 2026	Breakout Room 2
ASEAN Transport Connectivity Forum	Wednesday, 21 October 2026	Main Stage
Land Conference	Tuesday, 20 to Thursday, 22 October 2026	Main Stage (Day 1); @My09 & @My10 (Day 2); Breakout Room 2 (Day 3)

Times are shown in 24-hour format (Malaysia time). Programme is subject to change.

CONFERENCE DELEGATE

DAY 0: PRE-EVENT DAY

MONDAY, 19 OCTOBER 2026

Opening Hours: 0900 – 1800

TIME	PROGRAMME	VENUE	INFORMATION
0830 – 0900	Registration for Delegates	Grand Ballroom, Level 3, MITEC	
0900 – 1015	Road Safety Congress 2026 0900 – 0925 Keynote 1: Global Accountability and Actionable Road Safety Strategies Speaker: Dr. Ren Weimin, Director of Transport Division, ESCAP 0925 – 0950 Keynote 2: Accelerating Road Safety Transformation in Asia Speaker: Mr. Herbert Fabian, Senior Transport Specialist and Road Safety Lead, ADB Sectors Office 0950 – 1015 Keynote 3: Paving the Road Safety Initiative in Malaysia by YB Loke Siew Fook, Minister of Transport Malaysia	Novelle 1 & 2, Level 1A, MITEC	
0900 – 1015	Road Safety Congress 2026: Road Safety Initiative Action Hall Final National KEMAS Road Safety Choral Speaking Competition	The Gallery, Level 1A, MITEC	
0900 – 0915	IATA Workshop: One ID Workshop Welcome Address Facilitators (all One ID sessions): - Ms. Kim YounKyung, Senior Manager Customer Experience, IATA - Ms. Shu Hui Bian, Regional Manager Operations, Safety and Security (Customer Experience), IATA	@My10, Level 1A, MITEC	By Invitation
0900 – 0905	IATA Workshop: Asia Pacific ONE Record Workshop Opening Address Speaker: Suresh Singam, Country Manager Malaysia and Brunei Darussalam	@My11, Level 1A, MITEC	By Invitation
0905 – 0920	IATA Workshop: Asia Pacific ONE Record Workshop Keynote Speech by the Ministry of Transport, Malaysia	@My11, Level 1A, MITEC	By Invitation
0915 – 0930	IATA Workshop: One ID Workshop One ID Updates	@My10, Level 1A, MITEC	By Invitation
0920 – 0935	IATA Workshop: Asia Pacific ONE Record Workshop Digitalisation and the ONE Record Standard Speaker: Jonathan Parkinson, Head Cargo Digitalization, IATA	@My11, Level 1A, MITEC	By Invitation
0930 – 1015	IATA Workshop: One ID Workshop Discussion 1: Digitalisation of Admissibility	@My10, Level 1A, MITEC	By Invitation
0935 – 1000	IATA Workshop: Asia Pacific ONE Record Workshop Asia-Pacific Digitalisation Readiness and Strategy Speaker: David Wee, Regional Cargo Manager, Asia Pacific, IATA	@My11, Level 1A, MITEC	By Invitation
1000 – 1100	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 1: The Digital Ramp: Connectivity, Data & Operational Efficiency Facilitators (all GAD sessions): - Mr. Sunny Bhatt, Senior Manager GSE Management & Ramp Automation, IATA - Ms. Diana Poh, Regional Manager, Asia-Pacific Operations, Safety and Security, IATA	@My09, Level 1A, MITEC	By Invitation
1030 – 1100	AM Networking Break		

1030 – 1230	Road Safety Congress 2026: Road Safety Initiative Action Hall Final National KEMAS Road Safety Choral Speaking Competition (continued)	The Gallery, Level 1A, MITEC	
1030 – 1230	Road Safety Congress 2026: Road Safety Initiative Action Hall CARS Poster Presentation & Judging	Level 1A Hallway, MITEC	
1030 – 1130	IATA Workshop: One ID Workshop Discussion 2: Contactless Travel	@My10, Level 1A, MITEC	By Invitation
1030 – 1150	IATA Workshop: Asia Pacific ONE Record Workshop ONE Record Concept Training Speakers: 1. Davide Alocci, API Development Lead, IATA 2. Niclas Scheiber, Analyst, CHAMP Cargosystems	@My11, Level 1A, MITEC	By Invitation
1030 – 1215	Road Safety Congress 2026 High Level Dialogue: Road Safety as a National Priority: Translating Policy into Lives Saved Moderator: Prof. Dr. Wong Shaw Voon, Committee of UN Road Safety Fund / MIROS Chairman Panellists: 1. YBhg. Dato' Seri Jana Santhiran Muniayan, Secretary General, Ministry of Transport Malaysia 2. Mr. Patrick Kho, Chairman, Singapore Road Safety Council 3. Dr. Ren Weimin, Director of Transport Division, ESCAP 4. Mr. Herbert Fabian, Senior Transport Specialist and Road Safety Lead, ADB Sectors Office	Novelle 1 & 2, Level 1A, MITEC	
1100 – 1130	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 2: Digital Load Control and Turnaround Optimisation	@My09, Level 1A, MITEC	By Invitation
1130 – 1215	IATA Workshop: One ID Workshop Malaysia's One ID Implementation Roadmap and Next Steps	@My10, Level 1A, MITEC	By Invitation
1145 – 1230	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 3: Driving Sustainable Ramp Operations	@My09, Level 1A, MITEC	By Invitation
1150 – 1210	IATA Workshop: Asia Pacific ONE Record Workshop Technology in Action: ONE Record Live Demonstration Speaker: Niclas Scheiber, Analyst, CHAMP Cargosystems	@My11, Level 1A, MITEC	By Invitation
1210 – 1230	IATA Workshop: Asia Pacific ONE Record Workshop Technology in Action: ONE Record Live Demonstration by GS1	@My11, Level 1A, MITEC	By Invitation
1215 – 1230	IATA Workshop: One ID Workshop Wrap-Up	@My10, Level 1A, MITEC	By Invitation
1230 – 1300	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 4: Sustainable Taxiing: Reducing Fuel Burn and Emissions	@My09, Level 1A, MITEC	By Invitation
1230 – 1400	Delegates Luncheon		
1400 – 1530	Road Safety Congress 2026: Road Safety Initiative Action Hall Community Empowerment Highlights <i>GITI sharing session; Success Story of the KITARA Initiative; Success Story of the Commuting Safety Initiative; Success Story of MyGENTERA.</i>	The Gallery, Level 1A, MITEC	

1400 – 1440	IATA Workshop: Asia Pacific ONE Record Workshop Expanding the ONE Record Ecosystem Discussion Moderator: Mr. Jonathan Parkinson, Head Cargo Digitalization, IATA Panelists: 1. Mr. Masashi Yokozuka, Team Leader, Cargo Sales and Marketing, Narita Airport 2. Mr. Nazim Ros, Manager Cargo Industry Affairs, Singapore Airlines 3. Mr. Niclas Scheiber, Analyst, CHAMP Cargosystems	@My11, Level 1A, MITEC	By Invitation
1400 – 1430	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 5: Hydrogen in Airport Ground Operations: Opportunities and Challenges	@My09, Level 1A, MITEC	By Invitation
1400 – 1410	Road Safety Congress 2026 Road Crash Survival Sharing 1 Speaker: Taanusiya Chetty, Miss World Malaysia	Novelle 1 & 2, Level 1A, MITEC	
1410 – 1525	Road Safety Congress 2026 CEO Leadership Forum: Corporate Leadership and Smart Technology in Road Safety Moderator: Mr. Kamarul Ariffin Abdul Samad, CEO, Cyberview Sdn Bhd Panelists: 1. YBhg. Datuk Azman Ismail, CEO, Digital Nasional Berhad 2. Mr. David Ward, President Emeritus of Global NCAP 3. Mr. Khairoel Faiezy Hasnan, CEO, Etiqa General Takaful Berhad 4. Mr. Azrul Osman Rani, CEO, PETRONAS Dagangan Berhad (TBC)	Novelle 1 & 2, Level 1A, MITEC	
1430 – 1515	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 6: Autonomous GSE: Current Technology and Operational Experience	@My09, Level 1A, MITEC	By Invitation
1430 – 1630	IATA Workshop: One ID Workshop Passenger Data (Closed Session)	@My10, Level 1A, MITEC	By Invitation
1430 – 1730	Road Safety Congress 2026 VIP Prelude: Outdoor Vehicle Road Safety Demonstration (South Entrance) With YAB Dato' Seri Dr. Ahmad Zahid Hamidi, Deputy Prime Minister of Malaysia & Minister of Transport Opening Ceremony of the Road Safety Congress 2026 Officiated by YAB Dato' Seri Dr. Ahmad Zahid Hamidi, Deputy Prime Minister of Malaysia	Novelle 1 & 2, Level 1A, MITEC	
1510 – 1530	IATA Workshop: Asia Pacific ONE Record Workshop Q&A with the Experts	@My11, Level 1A, MITEC	By Invitation
1530 – 1550	IATA Workshop: Asia Pacific ONE Record Workshop Wrap-Up & Call to Action Speaker: Jonathan Parkinson, Head Cargo Digitalization, IATA	@My11, Level 1A, MITEC	By Invitation
1530 – 1630	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Session 7: Autonomous GSE: Implementation Challenges and Future Roadmap	@My09, Level 1A, MITEC	By Invitation
1550 – 1700	IATA Workshop: Asia Pacific ONE Record Workshop ONE Record Speed Dating	@My11, Level 1A, MITEC	By Invitation
1630 – 1700	IATA Workshop: Ground Operations Automation & Digitalization (GAD) Q&A and Closing Remarks	@My09, Level 1A, MITEC	By Invitation
1630 – 1700	PM Networking Break		

DAY 1

TUESDAY, 20 OCTOBER 2026

Opening Hours: 1000 – 1800

TIME	PROGRAMME	VENUE	INFORMATION
0900 – 1000	Opening Ceremony Programme Opening Ceremony of Transport Expo Asia 2026 by Minister of Transport Malaysia	Ballroom, Level 3, MITEC	
1000 – 1130	TXA 2026 VIP - Official Booth Tour and Press Conference by Minister of Transport Malaysia	Hall 2 & Hall 3, Level 1, MITEC	
0900 – 1100	Road Safety Congress 2026: Conference of Asia Road Safety (CARS) CARS Session 1: From Behavioural Realities to Demand Forecasting	@My10, Level 1A, MITEC	
	Road Safety Congress 2026: Conference of Asia Road Safety (CARS) CARS Session 2: Evidence-based Policy Formation	@My11, Level 1A, MITEC	
1000 – 1800	Transport Expo Asia 2026 Exhibition Open	Hall 2 & Hall 3, Level 1, MITEC	
1030 – 1100	Maritime Forum 2.0 Spotlight Briefing 1: What's on the Malaysia Maritime Law Revision and Reform? and Inside Malaysia's Bunkering Industry Latest Developments <i>This session provides an overview of Malaysia's maritime legal and industry developments, focusing on the ongoing Maritime Law Revision and Reform and recent developments in the bunkering industry. It will highlight legislative and regulatory priorities, industry initiatives, emerging opportunities, and key challenges, while exploring strategies to strengthen maritime governance, enhance regulatory effectiveness, and reinforce Malaysia's position as a regional bunkering hub in line with evolving international maritime and environmental standards.</i> Speaker: Dr. Siva Sangar Krishnan, Under Secretary, Maritime Division, Ministry of Transport (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1030 – 1130	Transport Strategy Forum 2026 Theme: Future On the Move: Accelerating Next-Gen Transport & Logistics Panel Discussion: Decarbonising Transport: From Cleaner Fuels to Practical Implementation <i>Covers SAF, lower-carbon maritime bunker fuels, infrastructure readiness, standards, demand, financing and wider market adoption.</i> Moderator: Dr. Rosli Azad Khan, Executive Director, MDS Consultancy Group (TBC) Panellists: 1. Mr. Khairuddin M Jaafar, PETRONAS (TBC) 2. Mr. Daniel Kim, Korea Railroad Research Institute (KRRRI) (TBC) 3. Mr. Alloysius Joko Purwanto, ERIA (TBC)	Breakout Room 1, Hall 3, Level 1, MITEC	
1030 – 1140	Road Safety Congress 2026 Road Crash Survival Sharing 2 Speaker: Ms. Masitah Mohd Affandy (Masy), Influencer / Survivor (TBC) Technical Forum: Safer Road User Innovation for Safer and Inclusive Mobility Moderator: Ms. Yasmin Ahmad Munir Lane, Coordinator, Bloomberg Philanthropies Initiative for Global Road Safety Kuala Lumpur (TBC) Panellists: 1. Ms. Vanitha Mohan, Director of Road Safety Division, Road Transport Department (TBC) 2. Ms. Azizah Wakijan, Deputy Director, Department of Urban Transportation, MBSA (TBC) 3. Ms. Masitah Mohd Affandy, Influencer (TBC)	Novelle 1, Level 1A, MITEC	

1100 – 1215	Maritime Forum 2.0 Session 1: Rebalancing Maritime Safety through Human-Technology Integration <i>This session critically examines whether current smart maritime technologies are effectively supporting safety outcomes in the maritime sector. It explores developments such as digital systems, automation, predictive tools, and real-time monitoring, with a focus on their practical effectiveness onboard ships. A key emphasis is placed on the human element of safety, recognising that most maritime incidents are linked to human factors and system interactions.</i> Moderator: Mr. Haji Mohamed Safwan Othman, Chairman, Malaysian Shipowners' Association (MASA) (TBC) Panellists: 1. Mr. Haji Mohd Fairoz Rozali, Director, Navigation Safety & Maritime Communications Division (BKPKM), Malaysia Marine Department (MMD) (TBC) 2. Cdr. (M) Ts. Dr. Suzanna Razali Chan (R), Former Malaysia Coast Guard Officer (TBC) 3. Ms. Lina Soho, Chief Operating Officer and Co-Founder, Sea Teknik Robotics Singapore (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1100 – 1130	The Future of Aviation (Day 1) Presentation: One ID, From Vision to Reality: Transforming the Passenger Journey with Digital Identity and Biometrics <i>Industry collaboration has shown digital identity works in practice. For travellers to benefit from this important modernisation, the frameworks must be in place to integrate digital identity into global travel processes.</i> Speaker: Ms. Shu Hui Bian, Regional Manager Operations, Safety and Security (Customer Experience), IATA	Main Stage, Hall 2, Level 1, MITEC	
1130 – 1230	The Future of Aviation (Day 1) Panel Discussion: Passenger Journey of the Future: Powering Seamless, Swift and Secure Travel with Digital Identity and Biometrics <i>Visions, realities and lessons in innovation: leading the way in the implementation of digital identity.</i> Moderator: Dr. Nor Azlina Mohd Isa, International Airport Professional (IAP) Panellists: 1. Mr. Clarence Lee, Group Chief Digital and IT Officer, MAG 2. Ms. Kim YounKyung, Senior Manager Customer Experience, IATA 3. Mr. Thomas D. Pellegrin, Consulting Partner & Asia Pacific Aviation Leader, Deloitte	Main Stage, Hall 2, Level 1, MITEC	
1140 – 1240	Road Safety Congress 2026 Technical Forum: Motorcycle Safety: Building a Safer Motorcycle Ecosystem Through Technology and Rider Well-Being Moderator: YBrs. Prof. Madya Ir. Ts. Dr. Siti Zaharah binti Ishak, Director General, MIROS (TBC) Panellists: 1. Dr. Azlan Darus, Head of Prevention, Rehabilitation & Health Division, SOCSO (TBC) 2. Mr. Tetsuya Matsushita, R&D Manager, Autoliv (TBC) 3. Mr. Hiraku Minato, Chairman, Motorcycle Technology & Harmonization Regulations subcommittee, Japan Automobile Manufacturers Association (JAMA) (TBC) 4. Mr. Amrishan Singh, Senior Manager, foodpanda Malaysia (TBC)	Novelle 1, Level 1A, MITEC	

1145 – 1255	Transport Strategy Forum 2026 Panel Discussion: Advancing Malaysia's Road-to-Rail Transition by 2030 <i>Covers modal shift, rail integration, first- and last-mile connectivity, logistics efficiency and infrastructure coordination. The session will identify policy reforms, regulatory priorities and institutional improvements to strengthen rail's role within Malaysia's integrated transport network.</i> Moderator: Dr. Norfarhana Abdul Ghani, Cost Manager, Linesight Malaysia (TBC) Panellists: 1. Dato' Normah binti Osman, Deputy Secretary General (Policy), Ministry of Transport (TBC) 2. Datuk Dr. Zunika Binti Mohamed, Deputy Secretary General (Policy), Ministry of Economy (TBC) 3. Mr. Makoto Yamataka, Southeast Asia Business Development, JR East (TBC) Cross-session Synthesis <i>Key policy insights, priority areas and possible next steps for Malaysia's transport sector.</i> by Dr. Tan Fee Cheng, Undersecretary, Strategic Planning and International Division, MOT (TBC)	Breakout Room 1, Hall 3, Level 1, MITEC	
1230 – 1300	Maritime Forum 2.0 Spotlight Briefing 2: Positioning Malaysia as a Regional Green Bunkering Leader <i>Malaysia's Cabinet has approved the Green Bunkering Regulatory Roadmap, launched at Malaysia Maritime Week 2026. This briefing sets out how Malaysia can leverage its position on one of the world's busiest shipping routes to become a regional leader in green bunkering. It covers what shipping lines and investors need to make it happen, the regulatory and practical barriers still in the way, and how the roadmap's priority recommendations respond, including MOT's role as single lead agency for bunkering approvals from February 2027.</i> Speaker: Dr. Jonathan B. Beard, Senior Advisor, Partnership for Infrastructure (P4I), Australia (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1230 – 1400	Delegates Luncheon		
1245 – 1255	Transport Strategy Forum 2026 Cross-session Synthesis <i>Key policy insights, priority areas and possible next steps for Malaysia's transport sector.</i> Speaker: Dr. Tan Fee Cheng, Undersecretary, Strategic Planning and International Division, Ministry of Transport (TBC) Organised by the Strategic Planning and International Division, Ministry of Transport	Breakout Room 1, Hall 3, Level 1, MITEC	
1400 – 1415	Land Conference Keynote Session: Accelerating Transit-Oriented Development for Connected and Sustainable Cities Speaker: YBhg. Datuk Mohd Anuar bin Taib, President, Sunway Group	Main Stage, Hall 2, Level 1, MITEC	
1400 – 1515	Maritime Forum 2.0 Session 2: The IMO Net-Zero Framework: Turning Compliance into Competitiveness <i>The IMO Net-Zero Framework represents a significant milestone in shaping the future of global shipping, challenging the maritime industry to move beyond compliance towards long-term resilience and competitiveness. This session will explore how governments, industry, and international partners can work together to transform the challenges of decarbonisation into opportunities for sustainable growth and competitive advantage.</i> Moderator: Prof. Dong Cheng, Professor in Maritime Energy Management (MEM) and Chinese Chair, World Maritime University (WMU) Panellists: 1. Dr. Harry T. Conway, Chair of the Marine Environment Protection Committee (MEPC), International Maritime Organization (IMO) (TBC) 2. Dr. Piyush Raj, Head of Maritime Technology & Innovation, Maritime Advisory, DNV Singapore (TBC) 3. Mr. Roel Hoenders, Head, Climate Action and Clean Air, International Maritime Organization (IMO) (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	

1400 – 1515	Road Safety Congress 2026 Technical Forum: Commercial Vehicles Beyond Compliance: Towards Intelligent Road Safety Culture in Commercial Transport Moderator: Ms. Masita Mat Isa, Deputy Director General, APAD (TBC) Panellists: - Mr. Mazli Asham bin Abdullah, Chairman, Petroleum Industry Road Tanker (PIROS) (TBC) - Mr. Jack Yi, Product Marketing Manager, ANSA Digital Sdn. Bhd. (TBC) - Mr. Frankie Chia Jee Onn, President, Johor Transport & Logistics Operators' Association (TBC)	Novelle 1, Level 1A, MITEC	
1400 – 1630	Road Safety Congress 2026: Conference of Asia Road Safety (CARS) CARS Session 3: Safer Road Infrastructure and Traffic Optimisation Road Safety Congress 2026: Conference of Asia Road Safety (CARS) CARS Session 4: Next-Generation Vehicles and Human-Centric Technologies	@My10, Level 1A, MITEC @My11, Level 1A, MITEC	
1400 – 1415	The Future of Aviation (Day 1) Presentation: CORSIA Eligible Fuels produced using the HEFA Process: The case of better emissions savings for SAF produced from used cooking oil (UCO) Speaker: Mr. Dannis Poon, EVP Operations and Feedstock, Ecoceres	Breakout Room 1, Hall 3, Level 1, MITEC	
1415 – 1430	Land Conference Keynote Session: Future of Mobility Speaker: Mr. Rashid Shukor, Executive Director, Grab Malaysia	Main Stage, Hall 2, Level 1, MITEC	
1415 – 1530	The Future of Aviation (Day 1) Panel Discussion: Expanding the SAF Feedstock Universe <i>This session explores what is needed to expand the SAF feedstock universe and examines how existing regulatory frameworks and sustainability criteria can facilitate promising SAF feedstocks.</i> Moderator: Ms. Harlina Pikri, General Manager, Strategy & Sustainability, PETRONAS Dagangan Berhad Panellists: - Mr. Aung Song Moe, Senior Officer Transport Division, ASEAN Secretariat - Mr. Burhanudin Noordin Ali, Airbus Chief Representative for Malaysia - Mr. Kelvin Lee, Head Sustainability, ASPAC, IATA - Mr. Dannis Poon, EVP Operations and Feedstock, Ecoceres	Breakout Room 1, Hall 3, Level 1, MITEC	
1430 – 1500	Land Conference Keynote Session: Malaysia's Blueprint for Net-Zero Mobility <i>National direction, green policies and energy transition targets in the transport sector.</i> Speaker: Mr. Saiful Adib bin Abdul Munaff, Group Chief Executive Officer, Malaysia Green Technology and Climate Change Corporation (MGTC) (TBC)	Main Stage, Hall 2, Level 1, MITEC	
1500 – 1600	Land Conference Panel Discussion: The EV Mass Adoption Race: Balancing Innovation, Infrastructure & Consumer Ready <i>Smart vehicle technology and intelligent routing to eliminate range anxiety; EV affordability and pricing; consumer acceptance and adoption; development of Malaysia's EV ecosystem including charging infrastructure and industry readiness; localising supply chains and scaling up battery recycling frameworks.</i> Moderator: Mr. Ts. Sharulnizam Sarip, Chief Technology Officer, Malaysia Automotive, Robotics and IoT Institute (MARii) (TBC) Panellists: - YBhg. Dato' Abdul Rashid Musa, Deputy Chief Executive Officer, PROTON Holdings (TBC) - Ms. Isabel Fan, Regional Director, Tesla Asia Pacific (TBC) - Mr. Jacob Ma, Managing Director, BYD Malaysia (TBC)	Main Stage, Hall 2, Level 1, MITEC	

1515 – 1630	Road Safety Congress 2026 Technical Forum: Post-Crash Care: Saving Lives Within the Golden Hour Introductory Session: Dr. Azlan Darus, Head of Prevention, Rehabilitation & Health Division, SOCSO (TBC) Moderator: Dr. Narinderjeet Kaur Dadar Singh, Health Emergency Officer, WHO in Malaysia, Brunei Darussalam and Singapore, World Health Organization (TBC) Panellists: 1. Dr. Azlan Darus, Head of Prevention, Rehabilitation & Health Division, SOCSO (TBC) 2. Mr. Kamarudin bin Abdul Rani, Undersecretary, Control and Compliance Division, Ministry of Communications (TBC) 3. Dr. Shah Jahan Mohd Yussof, Head of Emergency & Trauma Department, Hospital Sungai Buloh (TBC)	Novelle 1, Level 1A, MITEC	
1530 – 1645	Maritime Forum 2.0 Session 3: Future-Ready Maritime Workforce: Strengthening TVET for Industry Transformation <i>The maritime workforce remains the backbone of the sector amid rapid digitalisation and evolving industry demands. This session will examine key skills gaps, the relevance of existing TVET programmes, and emerging competencies required for a digital and sustainable maritime industry. It will also explore stronger government, industry and academia collaboration to develop a future-ready workforce and enhance the attractiveness of maritime careers for the next generation.</i> Moderator: Ms. Molinda Abd Rahman, Director, Industry Relations and Strategic Cooperation Division, Department of Skills Development (DSD), Ministry of Human Resources (TBC) Panellists: 1. Ts. Dr. Captain Manivannan Subramaniam, Chief Executive, Akademi Laut Malaysia (ALAM) (TBC) 2. Ms. Rahayu Rajali, Director, Maritime Transport Training Institute (MATRAIN) (TBC) 3. Mr. Nadarajan, General Manager, Container Planning, Westports Holdings (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1530 – 1645	The Future of Aviation (Day 1) Panel Discussion: Captains of the Industry <i>The CEO Panel will discuss the industry's pressing challenges and emerging opportunities, sharing their candid views and vision for the future.</i> Moderator: Sheldon Hee, Regional Vice President, Asia-Pacific, IATA Panellists: 1. Captain Nasaruddin A. Bakar, President and Group Chief Executive Officer, MAG 2. YBhg. Dato' Kapten Norazman Mahmud, Chief Executive Officer, CAAM 3. Dato' Mohd Izani Ghani, Managing Director, Malaysia Airports Holdings Berhad	Breakout Room 1, Hall 3, Level 1, MITEC	
1600 – 1630	Land Conference Keynote Session: Beyond Electrons: Hydrogen Mobility & Future Biofuels <i>Zero-emission public transportation (Autonomous Rapid Transit utilising hydrogen in Sarawak), biofuel innovations and alternative fuels of the future.</i> Speaker: Ms. Bibi Waheeda, Acting Chief Executive Officer / Chairman of Pro Tem Committee (TBC)	Main Stage, Hall 2, Level 1, MITEC	
1630 – 1700	Road Safety Congress 2026 Congress Resolution & CARS Closing Ceremony 2026	Novelle 1, Level 1A, MITEC	
1630 – 1730	PM Networking Break		
1645 – 1700	Maritime Forum 2.0 Presentation of Maritime TVET Scholarships for Students from B40 Families	Breakout Room 2, Hall 3, Level 1, MITEC	

DAY 2

WEDNESDAY, 21 OCTOBER 2026

Opening Hours: 1000 – 1800

TIME	PROGRAMME	VENUE	INFORMATION
0845 – 0930	Delegates Registration and Breakfast		
0900 – 1000	Maritime Forum 2.0 Session 4: Digital Ocean for Blue Economy Strategies <i>The session explores the interconnection between digitalisation, sustainability, and the Blue Economy in strengthening resilient maritime supply chains. It focuses on smart ocean industries, digital innovation, marine spatial planning, and sustainable resource management to support economic growth, supply chain resilience, and environmental sustainability.</i> Moderator: Ms. Cheryl Rita Kaur, Fellow and Head, Centre for Coastal and Marine Environment (CMER), MIMA (TBC) Panellists: 1. Prof. Gunter Pauli, Founder of Blue Economy (TBC) 2. Datuk Haji (Datu) Rosmadi Datu Sulai, Chief Coordinating Officer, Sabah Maju Jaya Sekretariat (SSMJ) (TBC) 3. Dr. Noranida Zainal, Director, Economic, Environment and Natural Resources, Ministry of Economy (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
0915 – 0930	The Future of Aviation (Day 2) Aviation Policy Overview Speaker: Mr. Mohamad Radzuan Mazlan, Undersecretary, Aviation Division, Ministry of Transport	Breakout Room 1, Hall 3, Level 1, MITEC	
0930 – 0945	ASEAN Transport Connectivity Forum Scene Setting: Malaysia as the Preferred ASEAN Logistics Hub <i>The opening session will expand on how Malaysia is positioning itself as a strategic gateway to ASEAN and global markets, given its strategic location and connectivity between major markets such as China, India and Southeast Asia, with a brief introduction to Malaysia's land, air and maritime infrastructure, including Port Klang, KLIA, integrated industrial parks, warehouses and distribution centres.</i>	Main Stage, Hall 2, Level 1, MITEC	
0930 – 1030	ASEAN Transport Connectivity Forum Analytical Panel: Cargo, Competition & Commercial Viability <i>This plenary takes the commercial pulse of the corridor. Industry leaders and anchor shippers will analyse cargo profiling studies, comparing rail competitiveness against traditional maritime routes (via Suez) and air freight. The panel identifies key commodities, volume commitments, and the role of AI in predicting demand and optimising multimodal logistics.</i> Moderator: Dr. Rosli Azad Khan, Executive Director, MDS Consultancy Group (TBC) Panellists: 1. Mr. Hezri Ariffin, General Manager Cargo, Keretapi Tanah Melayu Berhad (KTMB) (TBC) 2. Mr. Uwe Dettmann, Group CEO and Founder, APX Logistics, Thailand 3. Mr. Wan Mokhsen WMA, Head of Sales & Marketing, Port Klang Free Zone (PKFZ) (TBC) 4. Mr. Zhu Xijun, CEO, Pan Asia Silk Road Co Ltd (TBC)	Main Stage, Hall 2, Level 1, MITEC	
0930 – 1010	The Future of Aviation (Day 2) Presentation: Ground Operations Automation & Digitalization (GAD) <i>Digital transformation and automation are key to optimising ground handling operations in today's fast-paced aviation landscape. This presentation will share insights into optimising ground handling processes to improve efficiency, reduce costs, increase employee satisfaction and elevate the passenger experience.</i> Speakers: 1. Mr. Sunny Bhatt, Senior Manager GSE Management & Ramp Automation, IATA 2. Ms. Diana Poh, Regional Manager, Asia-Pacific Operations, Safety and Security, IATA	Breakout Room 1, Hall 3, Level 1, MITEC	

0930 – 1030	Land Conference Forum Session: Rail Leasing: A Temporary Measure or a Long-Term Solution? <i>Is leasing a pragmatic bridge to accelerate rail development, or does prolonged reliance on leasing create a more expensive and less sustainable operating model?</i> Moderator: Ms. Natasha Zulkifli, Founder Director, Women in Rail Malaysia, and Director (Stakeholder and Business Development), YTL Construction (TBC) Panellists: 1. Ir. Mohamad Asroll Mansor, Chief Executive Officer, MMC Engineering Sdn Bhd 2. Dr. Chelvam Rengasamy, Group Senior Director (International Business), SMH Rail 3. Ir. Ts. B Vicknesh A. Balasubramaniam, Chief Operating Officer, Railway Assets Corporation (RAC) (TBC)	@My09 & @My10, Level 1A, MITEC	
1000 – 1800	Transport Expo Asia 2026 Exhibition Open	Hall 2 & Hall 3, Level 1, MITEC	
1010 – 1110	The Future of Aviation (Day 2) Panel Discussion: Ramp of the Future: Integrating AI and Automation, Game Changer or Operational Risk? <i>Fragmented data, manual processes and delayed information remain major barriers to safer and more efficient ground handling. This session will discuss the challenges, solutions and optimisation for ramp automation and digitalisation.</i> Moderator: Mr. Sunny Bhatt, Senior Manager GSE Management & Ramp Automation, IATA Panellists: 1. Mr. Alex Willis, Regional Vice President Operations, South-East Asia and China, Menzies Aviation 2. Mr. Daniel Sanchez Clemente, Senior Manager, Product Strategy, TLD Robotics 3. Mr. Musdalifa Abdullah, CEO, Ground Team Red	Breakout Room 1, Hall 3, Level 1, MITEC	
1015 – 1115	Maritime Forum 2.0 Session 5: Strategic Partnership and Investment for Smart Maritime Development <i>The session revolves around the importance of strategic partnerships, financing mechanisms, and regional cooperation as a supportive mechanism in accelerating maritime transformation. The discussion focuses on public-private collaboration, green and digital investments, innovation ecosystems, capacity building, and cross-border cooperation to strengthen a resilient supply chain.</i> Moderator: Mrs. Naomi Zafaruz binti Julkifle, Assistant Director of Ports and Airports, Infrastructure and Utilities Division, Ministry of Economy (TBC) Panellists: 1. Mrs. Iman Badrudin, Economist / Financial Development Professional, Central Bank of Malaysia (BNM) (TBC) 2. Mrs. Habibah Enok, Director, Oil and Gas, Maritime and Logistics Services Division, Malaysian Investment Development Authority (MIDA) (TBC) 3. Mr. Lee King Vai, Head, Coverage (Energy & Transport), Malaysia Development Bank (BPMB) (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1030 – 1130	ASEAN Transport Connectivity Forum Panel Discussion: One Corridor, One Legal Framework <i>A seamless rail corridor across multiple jurisdictions requires a unified legal and regulatory framework. This plenary examines the harmonisation of transport conventions, from the CIM/SMGS consignment note systems to ASEAN's own facilitation agreements, and outlines a roadmap for aligning ASEAN standards with TRACECA and EU norms.</i> Moderator: Mr. Jonathan Koh, Consultant Single Window Expert, Trade Facilitate Singapore Panellists: 1. Mr. Sandeep Jain, Economic Affairs Officer, UNESCAP (TBC) 2. Dr. Mario Apostolov, Regional Adviser, UNECE (TBC) 3. Mrs. Norhasliza Mat Salleh, Director, National Logistics Centre, Ministry of Transport (TBC)	Main Stage, Hall 2, Level 1, MITEC	

1040 – 1110	Land Conference Speaker Session: Trans Borneo Railway: Transformational Investment or an Expensive Ambition? <i>Can a Trans Borneo Railway become the backbone of a more integrated Borneo economy, or would the cost of building and operating it outweigh the benefits?</i> Speaker: Mr. Girish Ramachandran, Executive Director, 27 Advisory Sdn. Bhd. (TBC)	@My09 & @My10, Level 1A, MITEC	
1110 – 1130	The Future of Aviation (Day 2) Presentation: Cargo Digitalisation <i>Learn how digital standards, data exchange and cross-industry collaboration are transforming air cargo from fragmented processes to an integrated digital ecosystem.</i> Speaker: Mr. David Wee, Regional Manager Operations, Safety and Security (Cargo), Asia-Pacific, IATA	Breakout Room 1, Hall 3, Level 1, MITEC	
1120 – 1150	Land Conference Speaker Session: ECRL: Are We Ready for the Next Era of East-West Connectivity? <i>From construction to utilisation: are the institutions, industries, logistics systems, people and communities ready for ECRL?</i> Speaker: YBhg. Dato' Sri Darwis Abdul Razak, Chief Executive Officer, Malaysia Rail Link Sdn Bhd (MRL) (TBC)	@My09 & @My10, Level 1A, MITEC	
1130 – 1230	Maritime Forum 2.0 Session 6: AI-Powered Maritime Supply Chains for Resilience beyond Disruption <i>The session discusses the growing role of artificial intelligence (AI) and emerging technologies in strengthening maritime supply chain resilience amidst global disruptions and evolving trade dynamics. The discussion focuses on smart ports, digital trade facilitation, automation, artificial intelligence, real-time data visibility, and cybersecurity.</i> Moderator: Mr. Nazery Khalid, Adjunct Professor, Universiti Malaysia Terengganu (UMT) (TBC) Panellists: 1. Ts. Dr. Muhammad Imran Sarwar, Chief AI Officer, Datalytica Sdn Bhd (TBC) 2. Mrs. Rita Benoy Bushen, Founder & Managing Director, RAA Capital Sdn Bhd (TBC) 3. Mr. Victor Ooi, Head of Information Technology, Port of Tanjung Pelepas (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1130 – 1300	ASEAN Transport Connectivity Forum Case Study Presentation & Panel Discussion: Digitalisation, AI & Digital Borders: Accelerating ASEAN Trade Facilitation <i>This plenary demonstrates how artificial intelligence and digital frameworks serve as the core engine for the Eurasian ASEAN transport corridor, addressing ASEAN Single Window integration, AFAFGIT Protocol 7 implementation, cross-border data governance and the Malaysia Maritime Single Window as a practical example.</i> Moderator: Mr. Steven Scicluna, Strategic Transport Lead, Rider Levett Bucknall, Kuala Lumpur Panellists: 1. Datuk Azlan Shah Al Bakri, Chief Executive Officer, KTMB (TBC) 2. Mr. Jonathan Koh, Consultant Single Window Expert, Trade Facilities Singapore 3. Mr. Wan Syatibi Wan Abd Manan, CEO, DagangNet, Malaysia (TBC) 4. Mr. Mohamad Furiman Hattar, Chairman, ASEAN Customs Enforcement & Compliance Working Group (CECWG) / Malaysia Customs (TBC)	Main Stage, Hall 2, Level 1, MITEC	
1130 – 1230	The Future of Aviation (Day 2) Panel Discussion: Air Cargo Digitalisation <i>Technologies such as automation, robotics and artificial intelligence (AI) are progressing from pilot projects toward broader application. The session will discuss recommendations to accelerate their adoption in air cargo.</i> Moderator: Ms. Zeta Loo, Head of Sales (APAC), CHAMP Cargosystems Panellists: 1. Mr. David Wee, Regional Manager Operations, Safety and Security (Cargo), Asia-Pacific, IATA 2. Mr. Ahmad Luqman Mohd Azmi, Executive Director, MMAG and CEO, MJets Air 3. Dr. Kimberly Camrass, Head of Asia Pacific Sustainability, Boeing	Breakout Room 1, Hall 3, Level 1, MITEC	

1200 – 1230	Land Conference Speaker Session: RTS Link Countdown: Is Malaysia Ready for Day One? <i>Operational readiness, CIQ efficiency, first- and last-mile connectivity, and passenger preparedness and expectations for a seamless cross-border travel experience from Day One.</i> Speaker: Dr. Ahmad Marzuki Ariffin, Chief Executive Officer, RTS Operations Pte. Ltd. (TBC)	@My09 & @My10, Level 1A, MITEC	
1230 – 1400	Delegates Luncheon		
1400 – 1600	Memorandum of Understanding (MoU) Signing TXA 2026	Breakout Room 2, Hall 3, Level 1, MITEC	
1400 – 1500	ASEAN Transport Connectivity Forum Plenary: Multimodal Logistics: Integrating Air, Rail and Road Freight <i>This session explores how air, rail and road transport can be better integrated to create seamless freight solutions between CIS countries and ASEAN, and highlights Malaysia's opportunity to leverage KLIA, Port Klang, inland ports and national logistics infrastructure to become ASEAN's preferred multimodal logistics gateway.</i> Moderator: Dr. Nor Fyadzillah bt. Mohd Taha, CILT, Chairperson, WiLAT Malaysia Panellists: 1. Dr. Daniel Kim, Director, Korea Railroad Research Institute (KRRI) (TBC) 2. Mr. Soo Chee Yeong, President, AMH (TBC)	Main Stage, Hall 2, Level 1, MITEC	
1430 – 1450	The Future of Aviation (Day 2) Keynote Address: Operationalising Malaysia's Low Altitude Economy: Regulatory Readiness & Next Phase Speaker: YBhg. Dato' Kapten Norazman Mahmud, Chief Executive Officer, CAAM	Breakout Room 1, Hall 3, Level 1, MITEC	
1450 – 1600	The Future of Aviation (Day 2) High-Level Panel: From Framework to Flight: Accelerating Malaysia's Low Altitude Economy <i>Key ecosystem builders, industry leaders and technology developers discuss the operationalisation of Malaysia's Low Altitude Economy (LAE), with emphasis on regulatory readiness, innovation, industry development and emerging air mobility technologies.</i> Moderator: Capt. Nazri Borhanuddin, Senior Director, Flight Operations, CAAM Panellists: 1. Dato' Norhalim Yunus, Chairman, Futurise 2. Mr. Ashran Dato' Ghazi, Chief Executive Officer, Malaysian Research Accelerator for Technology & Innovation (MRANTI) 3. Ir. Ts. Dr. Shamsul Kamar Abu Samah, Chief Executive Officer, National Aerospace Industry Corporation Malaysia (NAICO Malaysia) 4. Tan Sri Mohamad Salim Fateh Din, Chairman, Malaysian Communications and Multimedia Commission (MCMC)	Breakout Room 1, Hall 3, Level 1, MITEC	
1500 – 1600	ASEAN Transport Connectivity Forum High-Level Session: From Dialogue to Deployment: A New Logistics Axis for ASEAN <i>Senior officials will articulate national commitments to the extension of the TRACECA Middle Corridor to the proposed ASEAN Transport Corridor, framing it as a transformative economic axis connecting Southeast Asia, China, Central Asia, Türkiye and Europe.</i> Moderator: Mrs. Reshma Yusuf, Women in Logistics and Transport (WiLAT) (TBC) Speakers: 1. H.E. Dr. Kao Kim Houn, Secretary-General, ASEAN (TBC) 2. H.E. Jasurbek Choriev, Secretary General, TRACECA (TBC) 3. Mr. Kamal Dorabawila, Chief Investment Officer, IFC Singapore (TBC) 4. YBhg. Dato' Shabaruddin Ibrahim, Group Executive Chairman, Mutiara Perlis Sdn Bhd (TBC)	Main Stage, Hall 2, Level 1, MITEC	
1630 – 1730	PM Networking Break		

DAY 3

THURSDAY, 22 OCTOBER 2026

Opening Hours: 0900 – 1700

TIME	PROGRAMME	VENUE	INFORMATION
0845 – 0930	Delegates Registration and Breakfast		
0930 – 1030	Land Conference Panel Discussion: Integrating Mobility: Building a Seamless Public Transport Experience <i>Integrated mobility, first- and last-mile connectivity, integrated ticketing, demand-responsive transit, ride-hailing integration, feeder bus services and passenger experience.</i> Moderator: Ir. Ts. Sri Viknesh, Chief Executive Officer, PMT Solutions Consult Sdn. Bhd. (TBC) Panellists: 1. Mr. Zainurul Hakim, Senior Manager, Prasarana (Rapid Bus Sdn. Bhd.) (TBC) 2. Ms. Mega Indahwati Tarigan, Former President Director, PT JakLingko Indonesia (TBC) 3. Ms. Deliani Siregar, Deputy Director, Institute for Transportation and Development Policy (ITDP) Indonesia (TBC) 4. Dr. Phathinan Thaitatkul, Principal Research Fellow, Chulalongkorn University, Thailand (TBC) 5. Dr. Tayakorn Chandrangsue, Director of Safety and Maintenance Standards Division, Department of Rail Transport (DRT), Thailand (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1000 – 1730	Transport Expo Asia 2026 Exhibition Open	Hall 2 & Hall 3, Level 1, MITEC	
1030 – 1130	Land Conference Introduction & Panel Discussion: Accelerating Autonomous Mobility: Safety Frameworks, Smart Infrastructure & AV Technology Integration <i>Global trends and opportunities for autonomous vehicles; safety and regulatory frameworks; smart infrastructure readiness; AV technology integration; and Malaysia's readiness and way forward.</i> Introduction: Dr. Fatimah binti Kamal, Deputy Under Secretary, Land Division, Ministry of Transport (TBC) Moderator: Dr. Siti Zaharah Ishak, Director General, Malaysian Institute of Road Safety Research (MIROS) (TBC) Panellists: 1. Dr. Andi Rossi, Head, Innovation Ecosystem, Futurise Sdn. Bhd. (TBC) 2. Mr. Ts. Muhamad Hadzrin Mahadi, Head of Customer Solutions, PLUS Malaysia Berhad (TBC) 3. Mr. Alan Chong, Managing Director, Autonomous Logistic Solutions (ALS) (TBC) 4. Mr. Max Zhao, Executive President, Neolix (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1130 – 1230	Land Conference Forum Session: Optimising Logistics Networks: How Inland Ports Drive the Modal Shift to Rail <i>Focus on freight modal shift from road to rail, industry readiness, logistics efficiency, infrastructure capacity, and the policy and commercial incentives needed to make rail a viable alternative to road freight.</i> Moderator: Mr. Faiz Hakim B. Husain, Group Managing Director, Sufi Group Sdn. Bhd. (TBC) Panellists: 1. Dato' Sri Chan Kong Yew, Managing Director, Infinity Logistics & Transport Sdn. Bhd. (TBC) 2. Mr. Wan Ahmad Zaheed bin Wan Mohamad, Managing Director & Chief Executive Officer, Perlis Inland Port (TBC) 3. Mr. Liu Jinxin, President, Kunming South Asia and Southeast Asia International Logistics Institute (TBC) 4. Mr. Sakhone Philangam, Managing Director, Thanaleng Dry Port Sole Co., Ltd.	Breakout Room 2, Hall 3, Level 1, MITEC	

1230 – 1300	Land Conference Speaker Session: Powering ASEAN through Rail Centre of Excellence: A Game Changer or Just Another Institution? <i>China's experience in developing industry-driven rail centres of excellence, and how Malaysia can position its Rail Centre of Excellence as an ASEAN hub for rail training, innovation and industry development.</i>	Breakout Room 2, Hall 3, Level 1, MITEC	
1230 – 1400	Delegates Luncheon		
1400 – 1430	Land Conference Speaker Session: Digital Railways: Data, AI and Smart Operations for Safer and Reliable Services <i>Digitalisation, data analytics and AI are transforming the railway industry by enhancing safety, efficiency and reliability through intelligent, data-driven operations.</i> Speaker: Dr. Daniel Kim, Director, Korea Railroad Research Institute (KRRRI) (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1430 – 1530	Land Conference Forum Session: Operationalising the Railway Connectivity Standard Scheme (RCSS): Harmonising Technical Standards Along the Trans-Asian Railway Network <i>Translating RCSS into practical implementation by harmonising technical, safety and interoperability standards and establishing a coordinated framework for seamless connectivity along the Trans-Asian Railway Network.</i> Moderator: Ms. Nurul Adilah Abd Wahid, Covering Chief Executive Officer, MRDC (TBC) Panellists: 1. Mr. Hezri Ariffin, Cargo General Manager, KTMB (TBC) 2. Mr. Sanyawit Aphichatapong, Deputy Chief Engineer of Signaling & Telecommunications, State Railway of Thailand (SRT) (TBC) 3. Dr. Jia Wenzheng, Deputy Director and Researcher, Transport Development Innovation Center, GSTIKC (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1530 – 1630	Land Conference Forum Session: Malaysia's Ridership Challenge: What Will It Take to Get People Out of Their Cars? <i>Multimodal integration, first- and last-mile connectivity, station and onboard experience, operational resilience, accessibility and inclusivity for all user groups, and digital innovation to enhance customer experience.</i> Moderator: Mr. Chuah Wen Xu, President, Malaysia Young Graduates Association (GRADUAN) (TBC) Panellists: 1. Mr. Wong Yoon Loong, President, Malaysian Confederation of the Disabled (MCD) (TBC) 2. Mr. Cheong Sze Hoong, Malaysian Railway Fan Club (TBC) 3. Mr. Mohd Dzulkaedah Bin Zaharuddin, Group Stakeholders Experience, Prasarana Malaysia Berhad (TBC) 4. Mr. Mohamed Rizal Mohamed Sapari, Group Chief Business Development Officer, Hartasuma Sdn. Bhd. (TBC)	Breakout Room 2, Hall 3, Level 1, MITEC	
1630 – 1700	PM Networking Break
